*BLUSHING PINK ICEBERG (D (F) Blush pink CODE: 501	\$30 ⁰⁰
*BRILLIANT PINK ICEBERG (D (F) Dark pink CODE: 502	\$30 ⁰⁰
*BURGUNDY ICEBERG (D (F) Burgundy CODE: 503	\$30 ⁰⁰
ICEBERG (F) Crystal White CODE: 504	\$30 ⁰⁰

What do mail order and collect order roses look like?

- Roses are packed in a 'bare root' state free of soil.
- Rose stems are pruned to approximately 35cm and the root system is also reduced.
- Roses are packed in a plastic sleeve after the application of a moisture gel.
- Roses may have one, two or three stems depending on variety.

Bare-root rose bush.

Packaged rose. Direct from nursery.

TESTIMONIALS

*To the management of Swane's
Just a few lines of appreciation for the prompt and business like execution of my rose order - from receipt and courtesy of my phone order, to the prompt confirmation in writing of that order, the subsequent amended order, and the delivery in excellent condition of that order. The quality of stock delivered is first class.
Patricia Tremayne, Queensland July 2005*

*I received yesterday a carton of roses.....and I would like sincerely compliment you on the really wonderful looking bushes that have arrived in perfect condition. I can assure you that they are very much larger and more healthy than some others received from another rose grower.
Bruce D Pearce, Western Australia August 2005*

Swane's quality is guaranteed

100% Replacement Guarantee

At Swane's we are so confident with the quality of our mail order roses that we offer a full replacement guarantee. In the event of a rose plant failing to grow, first talk to a Swane's advisor on (02) 9651 1322 or email info@swanes.com.

When requested return the plant with a matchbox size soil sample from the planting position and the Swane's purchase receipt to us.

(Freight or mailing charges are the responsibility of the purchaser). Swane's will replace your rose to the value of the purchase price, depending on availability, in that year or the next. Plant returns will not be accepted after November 30th of the year of purchase.
